

# Career Transition Services

Career Transition Services help your former employees move forward as you maintain your organization's productivity and protect your reputation and bottom line. The more quickly employees have new opportunities, the less risk you have in unemployment and other claims.

#### Sample Topics Include:

Resume and cover letter preparation / Interviewing Techniques

Job search coaching / Networking opportunities

Social media marketing expertise / On-line resources for job hunting

#### Employers Council's Pricing Guide: One-On-One Sessions
